

TREVOR KYLE BUTTERMORE

11/22/1993 - 11/10/2020

MINNESOTA CROOKSTON BASEBALL

Trevor Buttermore was the true definition of a student athlete. He was determined and hardworking on the field and in the classroom. Trevor graduated in 2016 finishing his career with the fourth most appearances (44), second most games started (29), and second most innings pitched (163) in UMC history. His 97 career strikeouts put him in second all time. These accomplishments helped lead a UMC team to the most wins in program history two years in a row, including a NSIC playoff appearance in 2016. Along with his career accolades, Trevor graduated in the top ten in multiple single season and single game records. After graduating from UMC, Trevor went on to complete Law School and became an attorney. As a teammate, Trevor was someone everyone got along with and always led by example. Trevor impacted many with his smile, sense of humor, work ethic, and dedication to his teammates and loved ones around him. Trevor will be missed by his four adoring girls and the entire UMC Family.
