

In memory of

David M. Zalenski MD

David M. Zalenski, MD, FACOG (b.1956 - d. 2020), served St. John Hospital and Medical Center for nearly 40 years through medical residency, faculty administration and private practice, and ultimately as the Department Chief of Obstetrics and Gynecology. His warmth and kindness, dedication to patients, leadership excellence, and his many contributions to medical education were singular and will always be cherished.
