

# HURSHEL & LUCILLE DAVIS

## *Apostolic Prophets*

Hurshel and Lucille Davis became an intricate part of New Life Temple Church nearly 50 years ago and have committed themselves to the vision, mission and purpose of this local assembly. They have been instrumental in training, counseling, intercession, mentoring, teaching, and community outreach. They have acquired an anointing for healing and deliverance as well as operating in the prophetic office. Their love for worship has helped to demonstrate and unveil the revelation of true Kingdom worship. Their dedication to laying the foundation of this ministry is incomparable and NLT Church is forever grateful for their commitment to serve.
