Presented to Marlon Jackson

Hard Rock International proudly presents this dedication to the Jackson family, the "Royal Family of Music". With all nine siblings appearing at least once on the Billboard charts, a combined sales of over 500 million albums worldwide, over 90 top 10 singles, and 27 number 1 hits, the Jackson family are the most decorated family in the history of music and we are honored to tell their amazing story at Hard Rock Casino Northern Indiana in their hometown of Gary. The Jacksons revolutionized the entire musical landscape and references to them will be heard throughout the course of history. From humble beginnings to royalty, thank you to the Jackson family for the music you have bestowed upon the world.

"It was about a city called Gary, a school called Roosevelt, but most of all, it was about a little house on a little street filled with noise and music, and most of all love." - Tito Jackson
