

KENDALL FIELD

In honor of Denny

Robert Dennis Kendall, Sr.
(1942 – 2020)

A fourth generation Rock Haller, Denny was known for his warmth, his deep-throated infectious laugh and his avid volunteerism.

For more than 50 years his enthusiasm for baseball and softball as a spectator, player, umpire and coach for teams of girls, women, men and boys was known all over Kent County. As he built his legacy on the fields of Rock Hall, each of these roles held a special place in his heart. Wherever you go in this area someone will know or know about Denny and his love for the game.

His exuberance not only for this sport but also for his home town led many newcomers to consider Denny Kendall the unofficial ambassador of Rock Hall.
