A Firefighter's Prayer

When I am called to duty, God wherever flames may rage, give me the strength to save some life, whatever be its age.

Help me embrace a little child before it is too late, or save an older person from the horror of the fate.

Enable me to be alert and hear the weakest shout, and quickly and efficiently to put the fire out.

I want to fill my calling and to give the best in me, to guard my every neighbor and protect their property.

*And if according to your will I have to lose my life, please bless with your
protecting hand my children and my wife.*
