JIM MCNALL

FOUNDING BOARD MEMBER

*Dedicated Public Servant,
Local Government Expert, Risk Manager*

Idaho Counties Risk Management Program is forever grateful for the dedication and commitment Jim McNall has provided this organization. As part of ICRMP's founding membership, Jim served seven years as an ICRMP board member and twelve years as a Bonner County Commissioner. Combining his experience as an elected official, with his knowledge of public entity risk, Jim became the leading provider of local government training throughout Idaho. Over a thirty-year career, Jim instructed thousands of Idaho elected officials on governance, human resources, ethics, as well as risk management. Jim served as an integral training partner to the Idaho Association of Counties, Association of Idaho Cities, Idaho Association of Highway Districts as well as numerous other associations. In recognition of his longstanding service, steadfast commitment, and extraordinary efforts to support Idaho local government, ICRMP is proud to honor him with this commemorative plaque.
