

PHILIP P. CHRISTENSEN FIRE STATION 1

This Firehouse is officially renamed to honor the leadership, service, and sacrifice of Fire Chief Philip P. Christensen. Chief Christensen gave his life in the line of duty after 30 years of service to the citizens of Fort Smith, Arkansas.

May this station comfortably house those who we ask to come to our aid, regardless of time, weather, or challenge, with the best of hearts, skills and knowledge, to help those in need.

Godspeed to the emergency units, to carry safely, our bravest.

Thank you to the firefighters that served before us, and responded to the many calls for assistance over the years.
