

PHILIP P. CHRISTENSEN FIRE STATION 1

This Firehouse is officially renamed by the City of Fort Smith to honor the leadership, service, and sacrifice of Fire Chief Philip P. Christensen. Chief Christensen gave his life in the line of duty after 30 years of service to the citizens of Fort Smith, Arkansas.

May this station comfortably house those who serve the community, regardless of time, weather, or challenge, with the best of hearts, skills and knowledge, to help those in need.

We express our gratitude to Chief Christensen and all the courageous firefighters who selflessly served before us, tirelessly answering calls for assistance throughout the years.

Godspeed to the emergency units, to carry safely, our bravest.
