

# THE LAMAR SIMS FIRE STATION

12/01/2023

This Firehouse is dedicated to the citizens of Beulah, neighboring communities, and Lee County.

May this station comfortably house those whom we ask to come to our aid, regardless of time, weather, or challenge, with the best of hearts, skill, and knowledge to help those in need.

Godspeed to the emergency units, to carry safely, our bravest.

Thank you to the Firefighters and Board Members who served before us, formed and developed the District, and responded to the many calls over the years.
